

One System Across Municipalities
and Agencies

- SAFER PARTICIPANTS
- FASTER ASSISTANCE
- EFFECTIVE IDENTIFICATION
- INCREASED SOCIETY SAFETY
- TOOLS ACROSS AGENCY

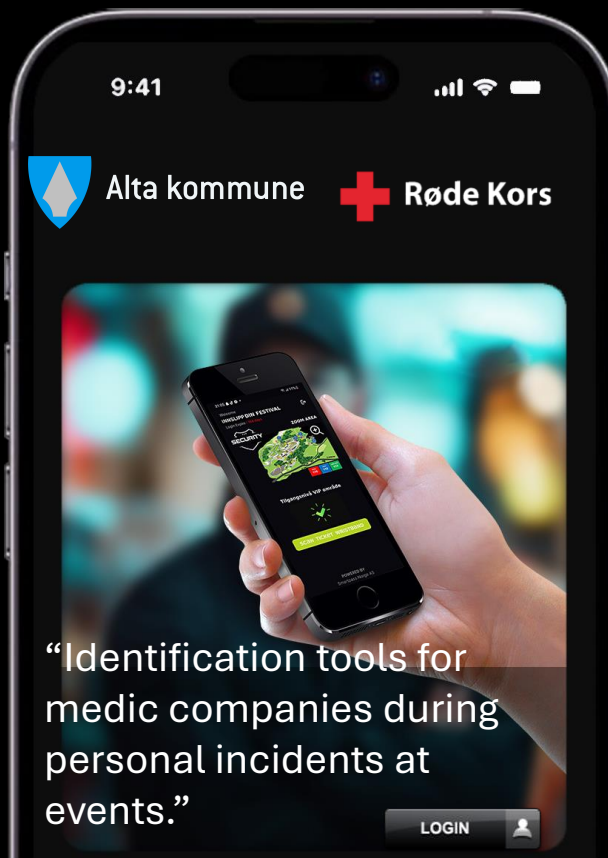

SOS Rescue – Safety Across Society ©

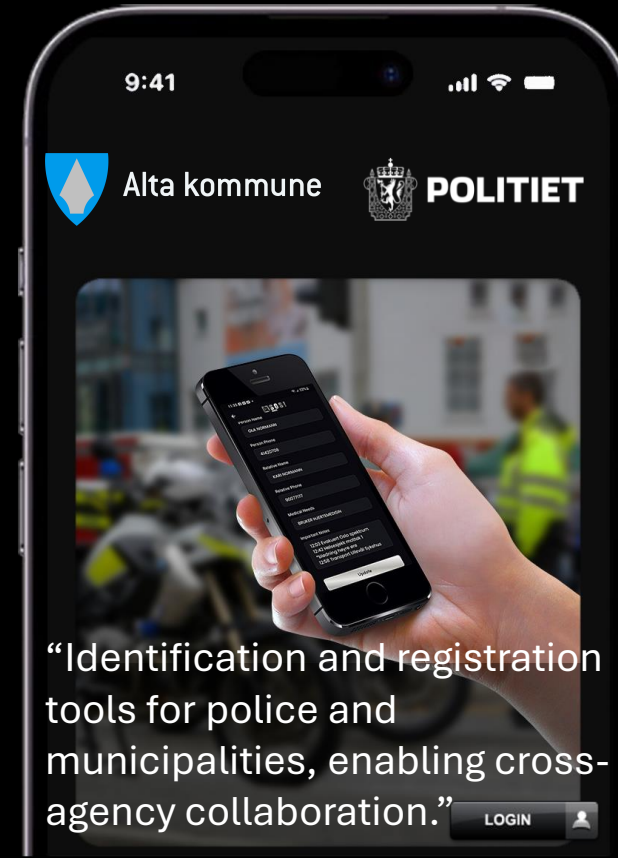

“Cross-agency identification and registration systems for municipalities, police, and partners — enhancing safety, civil protection, and crisis preparedness with greater accountability.”

“Identification tools for security companies during personal incidents at events.”

“Identification tools for medic companies during personal incidents at events.”

“Identification and registration tools for police and municipalities, enabling cross-agency collaboration.”

Alta kommune

In our municipality, we take sustainability, safety, community security and emergency preparedness very seriously. ♻️

ALTA L!VE

At our event, in collaboration with the municipality, we ensure the safety of the audience from the moment they arrive until they go home. ♻️
